

General FAQ's

1) What is MX GIVE?

MX GIVE is a donation and fund management platform which enables religious organizations and nonprofits to streamline their donations, service times, events, announcements, members and more. With MX GIVE, you can collect donations/funds, display service times, share announcements and pictures, add upcoming events, organize your members and have live access to the intuitive dashboard with powerful analytic reporting. To enhance your outreach and member engagement you are able to add a customizable mobile app and multiple giving kiosks.

2) Is MX GIVE a cloud or system-based platform?

MX GIVE is a 100% cloud based solution.

3) How easy is it to get started?

Signing up with MX GIVE is very easy. You can sign up instantly on our website and our Onboarding & Setup team will reach out to complete the process.

4) What happens once we have signed up?

Our Onboarding team will reach out to set up a training on the platform. Training includes setting up platforms for members, online donations and your organization setup. You will be able to add your donation categories, create events, send announcements, add member information, send emails and increase fundraising outreach.
